### FLPA - College of Law Scholarship

Dear Sir/Madam,

I write as President of the Family Law Practitioners' Association of Queensland (FLPA).

FLPA has nearly 1,000 professional members, comprising solicitors, barristers, and social scientists, practising in the area of family law. For those passing from law school to private practice in family law, it is a starting point in the development of professional relationships, as FLPA offers professional learning events for early careers lawyers, and networking events for early career lawyers.

To assist in this transition, for those students who are planning a career in family law, FLPA offers free membership to full-time, undergraduate students.

FLPA also offers, in partnership with the College of Law, an annual scholarship for students intending to practise in family law, comprising funded PLT at the College of Law, a PLT placement and mentorship with a FLPA member law firm, and a \$1,000 cash prize.

Where we will, during the months ahead, prepare to open this scholarship for 2022 applications, we would be grateful if you would make both of the above known to your students – to this end we have included posters which can be placed on law school noticeboards, which is also available in electronic form for posting on social media pages (for which purpose the manager of those channels need only get in touch with us for provision of the correct file sizes and shapes).

If we can assist in any other way, please do not hesitate to get in touch.

Yours faithfully

Dan Bottrell  
FLPA President
